Tavolotto

by Maddalena Casadei

Tavolotto is a set of three tables — same look, different proportions. Dide table, center low table, accessory table. Tavolotto appears monolithic, almost as if it were made of a single block, though

it is not. It is welded, then polished so perfectly that it tricks the eye. It plays with the idea of the circle, with the full radius, with softness.

FUCINA

Accessory table
Ø 40x40 cm
